Letter No.Muz.347-25 dated 21st/22nd September 1925 from the Deputy Commissioner, Hassan District to the Muzrai Commissioner in Mysore.

Subject: Re: grant of lands under the Mandagere Channel in the Krishnarajapet Taluk for the Sri Chennakesava Swamy temple at Belur.

"With reference to your memo No.1301-24 dated 27th June 25 forwarding copy of G.O.No.1837-8/Muz.25-23-1 dated 19th June 25 sanctioning an additional cash grant of Rs.200/- per annum to the temple of Sri Chennakesavaswami at Belur for a period of three years from 1st July 1925 -- pending grant of suitable lands in Belur Taluk and calling for proposals as to the manner of utilising the said grant, I have the honor to forward herewith the proceedings of the Meeting of the Dharmadarsees held on 2nd August 1925 received with Saklespur Sub Division Officer's Memo No.85-25 dated 20th August 1925 and to state that the Dharmadarsees have ------ unanimously resolved that the cash grant of Rs.200/- per annum will not go any way in meeting additional expenditure and have reiterated their prayer that the block of lands under the Mandagere Channel in Somanathpur and Beltur villages of the Krishnarajpet Taluk may be sanctioned for the following reasons:--

(1) that it will not be easy to find lands to the extent of 50 acs in the Belur Taluk and even if found it will not prove beneficial the temple on account of the difficulty of cultivating the same to advantage in this malnad Taluk.

(2) that the assistance of the Taluk and District Muzrai Officers and also of the temple devotees residing in the said villages will be availed of, in the matter of cultivation etc., of these lands as is being done in the case of temple lands at Belur and Chickmagalur Taluks and
(3) that as the lands selected by the Deputy Commissioner, Mysore are situated near the Akkihebbal Railway Station and facilities of Railway and road communication exist no inconvenience or difficulty would be felt for the cultivation and management of the same.

In these circumstances the prayer of the Dharmadarsees for the grant of the lands under the Mandagere Channel may be commended to the Government with your support and their sanction obtained as it is more advantageous to secure these lands in the interests of the temple."

Early. Let me have the file with a note. h

SIR,

With reference to correspondence ending with your O.M.No.697/Muz.dated 3rd November 1927 in the matter of the grant of lands to the Sri Chennakesavaswami temple at Belur, I have the honor to forward herewith copy of letter No.C.347-25 dated 20th July 1928 from the Deputy Commissioner, Hassan District, stating that suitable lands are not available in the Belur Taluk or under the new Madhur Channel that even in case lands are granted there it will be very difficult to secure cultivators and recommending that as opined by the Dharmadarsis suitable lands either under the Nandagere channels or those comprising the tank bed of Rampura in the Malavalli Taluk may be selected and granted to the temple.

2. There is difficulty in getting suitable lands in the Belur Taluk, owing to the antiquity and the archaeological importance of the institution, the request of the Dharmadarsis deserves favourable consideration. As opined by Mr. C.S. Palasundaram Iyer, the grant of lands has all along been under consideration and is as wished for by the Dharmadarsis and it will, in consequence, be appreciated than any fixed additional grant. As such grant in localities where the population is sparse, as in the Belur Taluk of no advantage to the institution, some lands under the Phad may be given, if lands in Mysore cannot be granted.

3. I beg therefore to recommend that orders conveyed in G.O. No.1837-8/M.F.25-23-18 dated 19th June 1925 may be reconsidered and that as originally intended by them in para 2 of their order No.1446-47 M.F.25-23-11 dated 16th April 1924 the grant of about 50 acres of wet lands subject to a maximum market value of Rs.5000/- may be sanctioned in favour of the temple. On receipt of Government orders, I shall place myself in communication with the Deputy Commissioners concerned and select lands in suitable locality.

4. The file of vernacular papers is enclosed for reference and obliging return.

I have the honor to be,

Sir,

Your most obedient servant,

Subject:- Selection of lands for being granted to the Sri Chennakeshava swa temple at Pelur.

With reference to your letter No.1138-22-3 dated 2nd June 1928, on the above subject, I have the honor to state that the Dharmadarsis are of opinion that suitable lands are not available in the Belur Taluk or under the new Kadlur channel. Even in case it is selected it is stated that it will be very difficult to secure cultivators and the lands also are not fertile.

The Dharmadarsis of the temple also are of opinion that lands may be given under the Mandagere channels as selected before or the lands comprising the tank bed of Ramapura in Malavalli ~~Tank~~ Taluk.

Under these circumstances, I am also of opinion that any of the above said lands may be selected and granted to the temple as prayed for by the Dharmadarsis who had also recently gone on a deputation to the Dewan for the purpose.
